**Request for Reconsideration of Petition
(37 CFR § 1.47(a))**

Sir:

1 Applicant petitions pursuant to 37 CFR §1.47 that the examination of the above-identified patent application proceed in the absence of a Declaration signed by the inventor therein.

2. Diligent effort was made to reach the inventor Dz-Ching Ju.

In particular, a letter was mailed to Mr. Ju at his last known address of 1078 Robbia Drive, Sunnyvale, CA 94087 on 23 March 2001 which included a Declaration and Assignment as well as a self-addressed, pre-paid FedEx envelope. Please see the enclosed copy of the letter. The package was returned by FedEx stating 'no such person lived there'. Please see the copy of the FedEx label enclosed herewith.

On 11 September 2001, a call was made to 411 (Information) in an attempt to locate Mr. Ju. The operator had no listings in the city of Sunnyvale (last known address), as well as surrounding cities of San Jose, Santa Clara, and San Francisco.

A search was conducted on the Internet. No results were found for Dz-Ching Ju on msn.com white pages as well as the Netscape People Finder website. Attached are

copies of the print-outs from the websites, indicating that no matches for Dz-Ching Ju were found.

3. This action is necessary to prevent irreparable damage and to preserve the rights of the parties.

4. At the time the application was filed, Applicant had a good faith belief that the inventor would be available and would therefore sign the Declaration and the Assignment. Subsequent attempts to communicate with the inventor and to obtain the inventor's signature have proved fruitless. Accordingly, Applicant has made a bona fide attempt to comply with the provisions of 37 CFR § 1.47.

5. The last known address of the inventor is 1078 Robbia Drive, Sunnyvale, CA 94087.

6. The petition fee has already been paid for this petition. If any additional fees or credits are due, please charge deposit account no. 07-1445.
